1/1*The investigation comprised the following determinations:*

- Administrative check of the composition of the sample.

*Results:*

The evaluation was described in detail in report ARPC/15-1123A/VeH. In summary it is stated that the composition of the 'Sample' is in accordance with the 'Regulations'.

*Conclusion:*

In conclusion, the 'Sample' can be considered to be suitable for contact with dry foodstuff, according to the Commodity Act Packaging and Food Utensils Regulation of The Netherlands and its amendments up to and including 328583-117560-VGP, the Regulations (EU) No 10/2011 and its amendments up to and including (EU) No 2015/174, Regulation (EC) No 1895/2005 and article 3 of (EC) No 1935/2004, providing the coating will be used in ship holds.
